Re: 35th Avenue Site FOIA Request

Dear Sir or Madam:

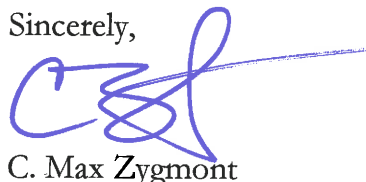

I hereby request—on behalf of this firm’s client Walter Coke, Inc. and pursuant to the Freedom of Information Act, 5 U.S.C. § 552 (the “Act”)—that EPA provide the following to the extent it has not already done so in response to Walter Coke, Inc.’s Feb. 21, Apr. 5, and Apr. 30, 2013 FOIA Request Nos. EPA R4-2013-004030, 005245, and 005997:

- (1) Copies of all information regarding sampling results (for whatever media) that, as of the date of this request, has been mailed or otherwise provided to residents and property owners of property that have been sampled at or in connection with the “35th Avenue Site” in Birmingham, Alabama. Such information includes without limitation analytical results, cover letters, and any attachments or other written correspondence providing additional information about the sampling or the meaning or import of the sampling results.
- (2) Copies of field notes, boring logs, table(s), and other compilation(s) of information (including without limitation sampling addresses and results) for sampling (of whatever media) at or in connection with the 35th Avenue Site for which validated results have been validated as of the date of this request.

If this request is denied in whole or in part, please cite in writing the reasons therefore as required by the Act. Also as required by the Act, please provide all reasonably segregable portions of records that otherwise contain some exempt information.

Please be in touch with questions or comments regarding this request.

Sincerely,

C. Max Zygmunt
